VIKING MONITOR

VIKING ACCESS SYSTEMS™

DIRECT ACCESS ANYWHERE

Controlling your gate operator has never been easier! The Viking Monitor App will wirelessly open/close your gate from anywhere in the world.

Security is not a concern since the Viking Monitor Application will give you instant notifications on all gate operations and actions. With one touch you are able to view all operator history, diagnostics, real time data and more! Save all of your operators data with the Cloud and/or a USB.

The Viking Monitor App will easily interface to your Android/Apple mobile devices with a simple download of the application from your App Store.
